### **Hamllins LLP Selects LexisOne™ to Enhance Business Efficiency**

[Hamllins LLP](#), a London-based commercial law firm, has selected business management system [LexisOne™](#), from [LexisNexis® Enterprise Solutions](#), a leading provider of technology solutions for law firms. Hamllins is one of nine firms to adopt LexisOne.

LexisOne offers Hamllins a robust legal accounting system that is built on a proven and well-supported Microsoft Dynamics AX platform. With the firm's IT infrastructure being predominantly Microsoft technology, LexisOne is an excellent fit for Hamllins. Furthermore, LexisOne will allow Hamllins to use the workflows in the solution to improve existing business processes and create new ones to enhance business efficiency. Over 130 employees will use the solution once it is rolled-out.

"We are excited to be one of the early adopters of LexisOne," Paul Spacey, Partner at Hamllins LLP. "It is a great opportunity for us to influence constructively the solution's future development so that it evolves to always meet our business requirements."

Andy Sparkes, General Manager, LexisNexis Enterprise Solutions, commented, "We are delighted with the support we are getting from customers for LexisOne. The offering is resonating well with customers as it clearly meets their business requirements. With Microsoft's support for technology development alongside valuable input from Hamllins and our other early adopter partners, the solution is well on course to truly becoming a next generation business management system for legal."

LexisOne is an enterprise-grade business management solution for law firms, which goes beyond traditional practice management. LexisOne helps firms proactively manage costs, improve control, make informed decisions and optimise resources to deliver greater value to clients. Powered by Microsoft Dynamics AX, LexisOne harmonises financial, human resources, productivity and performance management to provide the insight, flexibility and scalability that firms need to rapidly adapt in an ever changing world.
