

March 3 2016

Agenda

Morning Session

Doors Open 9:30am for Arrival, Meet & Greet

Welcome & Introduction

Meet your Account Manager for a pre-event coffee, then hear from Andy Sparkes, LNES General Manager - who will welcome everyone with an update from LexisNexis

Keynote – Digital Transformation

Global technology analysts IDC will talk about why the organisations that use technology to differentiate from the competition are succeeding. In a topic of 'Digital Transformation' they will describe what is 'the 3rd Platform for IT growth and innovation, built on mobile devices, cloud services, social technologies and analytics'. This is a topic that applies globally, to every industry, and will encourage you to think about how you can exploit Visualfiles technology to become a 'digital master'.

Legal Technology Insight – David Espley, LNES UK Technology Director

David will share his thoughts on the future of legal technology and provide insight into how LexisNexis will continue to be at the forefront.

Visualfiles Update – Nigel Williams, Visualfiles Product Manager

Nigel will present an update on Visualfiles, how it is the right choice to enable 'digital transformation' in your organisation, and provide ideas for how your organisation can fully exploit it.

Lunch & Networking

Enjoy lunch and the chance to chat to other delegates and LNES staff.

Afternoon Session

The afternoon session is dedicated to client stories and product showcases. This will include client successes, detailed demonstrations of the latest and upcoming features, insights into potential futures by specialists including the Product Management Team of Marcus Hutchinson and Nigel Williams.

4:30pm Close & Networking Drinks
