

Lexis® Everyfile

The software solution that will revolutionise legal service delivery

What is Lexis® Everyfile?

Available on Microsoft Azure, Lexis® Everyfile is a secure web-based application that is a firm-wide, globally accessible solution. It provides lawyers with the ability to access their required digital files from across the business, in one place.

A LexisNexis product benefiting from 30 years of industry-leading legal software expertise, it has been developed in partnership with a top global law firm to underpin your legal service delivery, with a best in class experience to meet each lawyers' needs.

How can Lexis® Everyfile help?

Lexis® Everyfile helps you to **prioritise functionality**, introducing simple, low code tools to optimise **business delivery and improve organisational efficiencies**. Through true collaboration, **we work with you to define your needs** and focus on what matters.

Whether it is complex **matter management, legal project management** or transforming your organisation's processes, you choose how **Lexis® Everyfile delivers for your business**.

How is Lexis® Everyfile different?

Easily connecting **key matter data** and **business insights**, as well as integrating with other industry recognised solutions, Lexis® Everyfile has been developed to provide the lawyer with **tailored versatility**.

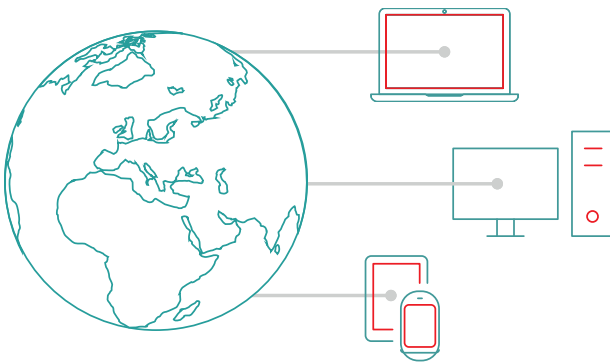

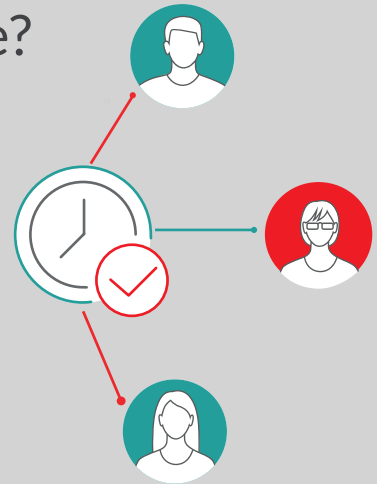

Designed to solve the challenges modern law firms face, **Lexis® Everyfile is the foundation of a law firm's technology stack**. It is the **enterprise toolset** offering **anytime availability, intuitive business tools, and a single point of entry** to view all working files across the firm.

What are the benefits of Lexis® Everyfile?

Your practice can simultaneously prioritise everyday legal tasks, business longevity, and enable you to:

- Leverage the power of **organised data** to help unlock the firm's knowledge and **inform decision-making**.
- Work more effectively as a team through **firm-wide collaboration** - in real-time.

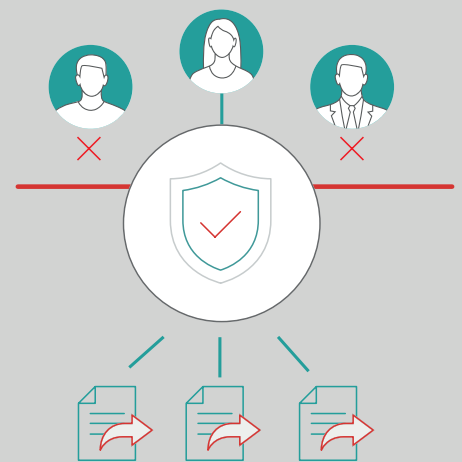

- Provide **transparent business intelligence** and convert **management insights** to improve service delivery.
- **Gain access from anywhere**, at any time, using any browser.
- Effortlessly **integrate with other recognised legal software applications** to ensure your Lexis® Everyfile solution is the **foundation of all business activity**.

Trust the Experts

Part of **LexisNexis**, a leading global provider of legal and regulatory intelligence, we make it our business to understand the modern legal system and address the challenges you face by leveraging our **specialist software knowledge**.

Choose **Lexis® Everyfile** to **empower your firm** and alleviate time wasted, simplify task management and improve data security with a **single user experience**.
